

Project Design Phase-II

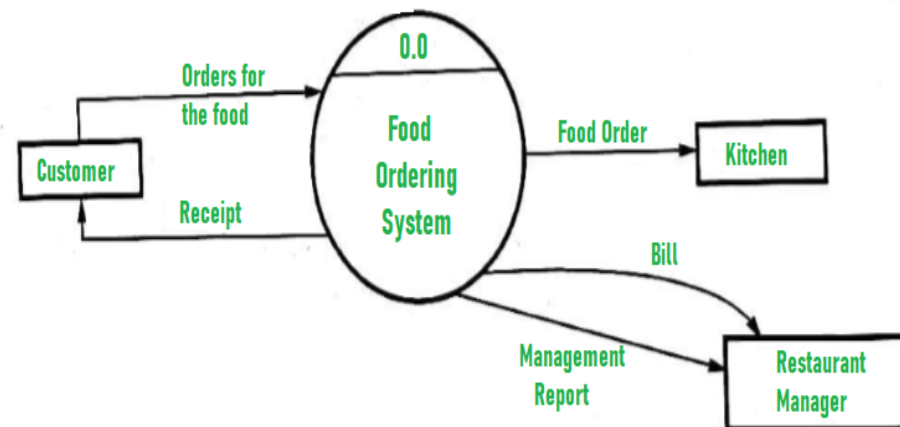

Data Flow Diagram & User Stories

Date	03 November 2023
Team ID	NM2023TMID08769
Project Name	Creating Blog Using WordPress Platform

Data Flow Diagrams:

A Data Flow Diagram (DFD) is a traditional visual representation of the information flows within a system. A neat and clear DFD can depict the right amount of the system requirement graphically. It shows how data enters and leaves the system, what changes the information, and where data is stored.
